<i>There is an adult working from home as a key worker and it would be preferable for their key work if the children were supervised at school during these sessions.</i>								Please sign the correct statement for your situation		
<i>OR I confirm there is not an adult at home to look after my child at these times.</i>										

Phase One of Wider Opening for Years R, 1 and 6

I would like my child to return to school from 2 nd June if the school's proposed wider opening goes ahead	
I will not be sending my child into school on 2 nd June and they will continue to complete home learning.	

Phase Two of Wider Opening for whole school

I would like my child to return to school before the end of the summer term.	
I will not be sending my child into school before the end of the summer term and they will continue to complete home learning.	
If numbers wishing to return to school prohibit us from providing a fulltime timetable for all, please select the options below that would be preferable to your family:	
a) The school would select additional year groups to be added to the current provision, meaning some year groups may not return before end of the summer term. Please note not all children would be able to be taught by a teacher with this model due to staffing numbers and protecting the bubble model.	
b) The school would provide Y1-6 on a part time timetable with EYFS continuing full time. All children would be able to be taught by a teacher when in school with these models. Select your preference from the following options	
(i) One week in school, one week home learning	
(ii) 2-3 days a week in school each week, with the other days completing home learning	
If a part-time model was adopted by the school would you prefer siblings to be scheduled for the same times?	

This form must be returned to the school office by **Friday May 29th**. Any children for whom forms are not returned by this date, will not be allocated a place in school. If you decide you wish for your child to return to school after submitting your form or at a later date, you will need to give a week's notice. If you indicate on the form that your child will be returning to school you will need to notify the school by 9:30am on each day if they are not attending as is usual.

By sending your child into school you agree to follow the school's and the Government's latest guidance for social distancing where at all possible in order to protect our whole school community.
